

TRAVEL 2019

Inclusive transit from and to Rome *Fiumicino* Airport

On **arrival** days, a minibus will collect guests and depart from Fiumicino by 15.00. Please select flight times that allow plenty of time for you to get through customs and collect your bags.

On **departure** days, the minibus is timed to arrive at Fiumicino by 12.00. Please select flight times that allow plenty of time for your check-in.

(Note: Arrival and departure days are the **start day** and the **end day** of the course.)

We often run 2 minibuses, at different times.

If you are selecting flights and find that you are not able to arrive/depart in accordance with the scheduled times, please contact me to discuss prior to making a booking.

Fiumicino Airport has a mainline train station, so if you are coming from anywhere else in Italy you can conveniently meet the minibus.

If your flight is severely delayed or re-routed to another airport, you will need to make your own way to Agnone, and cover your costs. There is a bus that goes from Fiumicino to nearby Agnone, from where a taxi will be organised to collect you.

For guests attending one week only, inclusive airport transit is also provided on interim Saturdays. If there are fewer than 3 people travelling, transfer will be by taxi and public bus from/to Fiumicino. These costs will be covered by L&LI.
