

## **Travel 2022**

Inclusive travel from and to **Rome Fiumicino Airport (FCO)**

NB: Arrival and departure days are the start day and the end day of your course.

**On arrival days** our minibus will collect guests and depart from Fiumicino by 14.00.

**On departure days** the minibus is timed to arrive at Fiumicino by 12.00.

Please select flight times that allow you plenty of time. If you have any concerns, please discuss with me prior to booking.

**For guests attending 1 week only**, inclusive airport transit is provided on interim Saturdays - only when 3 or more people are travelling.

Otherwise, your transfer will be organised for you via bus/train to Fiumicino

Guests coming from central Rome may come independently instead of meeting at the airport.

If your flight is severely delayed or re-routed to another airport, you will need to make your own way to Agnone which we will organise with you.
